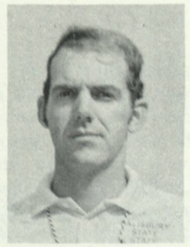
SEA GULL FOOTBALL COACHES

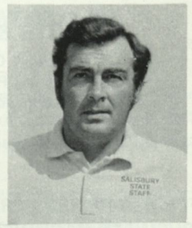


Directing the Gulls into the first year of varsity football is Head Football Coach Dick Yobst, a native of Oxon Hill, Md. He earned two letters in football and was co-captain of the Oxon Hill High team. He attended Western Maryland College where he earned a B.S. Degree in Physical Education in 1963. He lettered four years and earned the following honors: All Mason-Dixon Conference End for three years; All Middle Atlantic Conference player in 1962; All Maryland Small College Team in 1962; Methodist All-American in 1962; and Co-captain of his team in 1963.

During the 1963-64 year, Mr. Yobst was named soccer and gymnastics Coach at Taney Junior High School, Prince George's County, and was Assistant Football Coach and Junior Varsity Coach at Oxon Hill High. At the end of the year, Dick was awarded a Master of Arts Degree from George Washington University.

Yobst assumed his post as Head Football Coach and Assistant Track Coach at Bennett High in Salisbury in 1964. In addition to organizing the Bayside Conference, he was Chairman of District V Football Committee.

Dick was appointed Assistant Dean of Students in 1969, Dean of Men in 1970, and Associate Dean of Students in 1973. He was named Head Football Coach in December 1971.



Defensive Line Coach, M.P. Minton, who also serves as Associate Director of Admissions at Salisbury State College, is well known locally. "M.P." was Vice-Principal at Bennett Junior High for three years and Line Coach and Assistant Track Coach at Wicomico High for five years.

He received his Bachelor of Arts Degree in History from the University of Maryland in 1962 and his M.A. Degree in Public School Administration, also from Maryland in 1966. Minton previously attended Syracuse University from 1957 until 1958 and was a member of the undefeated Syracuse University freshmen team.

Since he has been at Salisbury State, "M.P." has helped organize the golf program and was appointed the first SSC Golf Coach in 1971.

Offensive Backfield Coach, Chet Hanulak, is a former professional football player with the Cleveland Browns. Chet was a star running back on the University of Maryland team in the early fifties and he was "All American" in 1953. He played for Maryland in the Sugar Bowl game in 1951, when the Terrapins defeated Tennessee 28-13, and he was also a member of the Terrapins in 1954, when they lost to Oklahoma, 7-0 in the Orange Bowl.

Drafted by the Cleveland Browns in 1954, Hanulak had a great year and was selected "Professional Rookie" of the year in NFL. He scored one touchdown for the Browns as they beat the Detroit Lions for the NFL Championship 57-14, and his best game was against the Pittsburgh Steelers when he scored three touchdowns.

Chet joined the Air Force as a Second Lt. and Personnel Officer in 1956 and he also played on and coached the Bolling Air Force team in 1955 and 1956. When he went back to civilian life in 1957, he returned to the Cleveland Browns. However, in 1957, he injured his knee and retired from professional football.

Hanulak is currently owner and manager of Super-Clean Car Wash on South Salisbury Blvd.

Defensive Coordinator Coach Mike McGlinchey, is a native of the State of Washington, but grew up at Newark, Delaware. He was a three letterman in football, wrestling and baseball at Newark High, and as a Junior, he won the State 103-pound championship in wrestling.

Attending the University of Delaware, Mr. McGlinchey earned six varsity letters – three in wrestling, and one each in football, soccer and baseball. In his senior year, he received the Outstanding Senior Athletic Award and the W.S. Red Tawes Award, presented to the most outstanding wrestler.

During his service career from 1967 to 1969, Mike won both the Fifth Army 191-pound wrestling championship, while at Fort Leonard Wood, Missouri, and the U.S. Army European Comman 191-pound championship at Baumholder, Germany. He also played semi-pro baseball for four years.

Offensive Line Coach Mickey Kwiatkowski, who also is Assistant Director of Housing, is a native of Clifton Heights, Pa., and he received his B.A. and Master's degrees from the University of Delaware.

He taught at several Delaware area high schools while pursuing his Master's degree. Recently, Mr. Kwiatkowski was Chief of Instructor Training Branch of Instructor Methods Division of the Army Security Agency Training Center and School. Mr. Kwiatkowski served with the Army at Fort Devens (Mass.) as a Lieutenant.

At Clifton Heights High School, he earned three football letters and was captain of his team. He played as offensive guard on University of Delaware's team and was named to the offensive line of the All Middle Atlantic Conference Team as a senior. He also played in two Boardwalk Bowls at Atlantic City, New Jersey.

Mr. Kwiatkowski also coached the offensive freshmen line at Delaware and assisted for two years in coaching the varsity.

SSC's ATHLETIC DIRECTOR

Deane Deshon came to Salisbury State in 1962 and he immediately began to build and rekindle the baseball and basketball programs. He began as physical education instructor and in 1971 was named Athletic Director.

A native of Maine, Mr. Deshon did his undergraduate work at the Maine Maritime Academy and University of Maine. He holds a M.A. degree from the University of Maryland.

With the number of varsity sports growing to ten over the past few years and the intramural program developing rapidly, the AD's task has become increasingly more difficult.

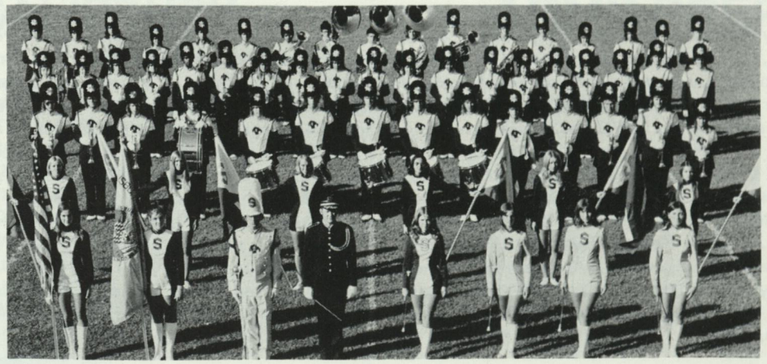
Folk Music on Stage at SSC Halftime



Folk music is undoubtedly a "staple" element in the culture of all societies, an element which involves the bulk of our nation regardless of our heritage. Today, the SSC Marching Band provides a kaleidoscope of "folk" times found in various parts of our country from the Atlantic to the Mid-West to the South and Appalachia.

The band comes across the field with a bright version of "That Good Old Mountain Dew." The origin of the beautiful folk song, "Shenandoah," is unclear – a sea chantey of the great clipper ships, a Missouri boatman's song, the name of an Indian Chief. Regardless, it is one of the many revered songs of our nation. A love ballad of the 19th century was "When You and I Were Young, Maggie." Our marching band arrangement is treated with a "country" flavored beat, highlighted by the majorettes. Moving to the Mid-West, the band continues with the musical story of the legendary train, the "Wabash Cannonball." The band concludes with a rousing version of the "Alabama Jubilee."

The West Point Prep Story

THE SCHOOL The mission of the U.S. Military Academy Preparatory School is the preparation of these young men—academically, physically and in military aptitude—for entry into and graduation from the Military Academy. The school's motto of FAITH-DESIRE-EFFORT states well the qualities necessary to gain entry into the Military Academy, where the candidates will follow a new motto of DUTY-HONOR-COUNTRY—the devotion to which will guide them throughout their service careers and their lifetimes. The outstanding performances of our Prep School graduates is eloquent evidence of their dedication to the tenets of these mottoes.

HISTORY Officially established in 1946 by General Maxwell D. Taylor, then Superintendent of the United States Military Academy, the USMA Preparatory School provides a valuable "stepping stone" to West Point for service personnel. . . .The preparatory school concept is not new to the Army. For nearly half a century, the Army has assisted West Point aspirants to pass the entrance requirements for the Military Academy. . . .Prior to and during World War I, this assistance was supervised by informal schools on military posts. Following World War I, qualified officers were assigned to primary duty as instructors at eight schools geographically distributed around the country.

With the outbreak of World War II, the preparatory school system was consolidated with training being given at Cornell, Lafayette and Amherst Colleges, and in 1946, the United States Military Academy Preparatory School was established at Stewart Army Air Field, Newburgh, N.Y. It was moved to its present home at Fort Belvoir in 1957. . . .USMAPS is the only West Point preparatory school available to men serving on active duty in either the Regular Army or Army Reserve. Through academic, physical and military training, the school prepares selected young men to successfully compete for 170 Army appointments to the Academy. . . .Each year, more than 275 enlisted men undergo nearly ten months of training from mid-August to June at the Prep School. Primary emphasis is on academics and necessary physical conditioning, with secondary emphasis placed on military training, development of leadership traits and discipline.

THE COACH John Little is in his fourth year as both Head Football Coach and Director of Athletics at the United States Military Academy Preparatory School. This season will be Coach Little's seventh in college coaching. His record as a head coach stood at 20 wins and 13 losses as the current campaign began . . . . John, who is 29 years of age, was a three year letterman at Davidson College where he played as an offensive back and end. He graduated in 1966 with a degree in psychology. He then served as the head freshman coach at East Carolina University while earning his Master's Degree in counseling. . . . Coach Little and his wife Marbury have two children, Ashley (4) and Robert (1).

JOHN LITTLE

THE TEAM Scoring 100 points in four games, the Golden Knights boast a high-powered offensive unit, led by Tailback Greg King (5-11, 177) who has 413 points in the first four games and four touchdowns. Quarterback Leamon Hall (6-4, 185) is coming into his own and his leading receiver is Tight End Nick Gagel (5-11, 202). Defensively, watch Linebacker Steve McCraw (5-11, 196) and Jimmie Traylor (6-0, 179), who leads in sacks.

SCHEDULE – RESULTS

APPRENTICE SCHOOL – Lost (20-15)
SHEPERD COLL. FROSH – Won (33-7)
ARMY PLEBES – Won (17-0)
LYNCHBURG BAPT. COLL. – Won (35-7)

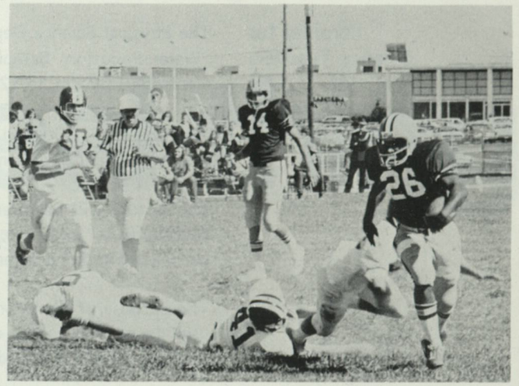
Panorama of Action in Gallaudet Game

Goldie Farrow intercepts a Gallaudet pass and scampers for a TD.

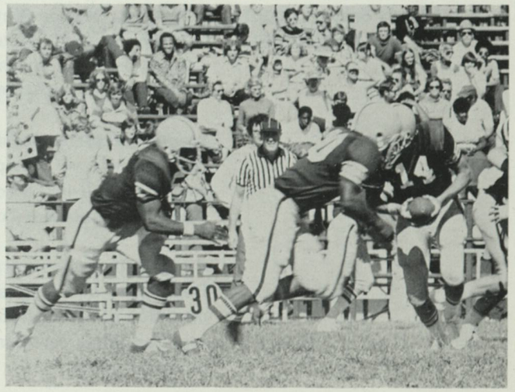
Early in the game, Levi Shade took off on this 64-yard dash to Gallaudet's one-yard line.

Gallaudet Back Craig Sellers meets a Salisbury defensive wall.



Fleet Jim Watson makes it around left end.

Loose Ball — Mike Russell, John Mitchell, Lou Amabili scramble for Gallaudet fumble.



Quarterback Grayson Jones hands off to Levi Shade.

The Academic Side

SCHOLARSHIP ANNOUNCED

The Greater Salisbury Committee has announced that it is creating a $500 annual scholarship in memory of the late Professor A.L. Fleming, well-known Salisbury State professor in the Economics and Business Administration Department.

"A.L.", as he was known on the SSC campus, was one of the founders of the Greater Salisbury Committee and "worked with dedication to its goals and ideals." After his death in February, 1972, the Committee decided to establish a long-standing "memorial" to his memory. Assisting with the project are the Salisbury Area Chamber of Commerce and Salisbury State College.

The Scholarship will be awarded annually to an eligible junior majoring in Business Administration or Economics, who is recommended by the BA Department faculty.

TWO CONFERENCES SET FOR OCTOBER 27

Seminar for Science Teachers

The Physical Science Department of Salisbury State College announces a semi entitled "Water Pollution: Sampling and Analysis" on Saturday, October 27. The meeting will run from 9:00 a.m. to 12 Noon in Room 322 of Devilbiss Science Hall.

The seminar is designed to acquaint the secondary school science teacher with some of the more recent developments in science.

The lecture will be given by Dr. John Tyvoll, who has had a considerable amount of environmental experience. Other members of the Physical Science Department will also participate in this program.

The purpose of the seminar is to discuss the biological significance and common variables used to measure water quality, cover simple analytical techniques for obtaining water quality data and also to describe techniques for water sampling.

Citizen Conference on Canals & Waterfront Development

The Central Atlantic Environment Center will sponsor a conference on Canals and Waterfront Development on October 27 at Salisbury State College, it was announced recently. Salisbury State College is cooperating in this presentation and the Wetlands Committee of the Wicomico Environmental Trust, chaired by Dr. Verne L. van Breemen, is also providing assistance.

Leading experts doing investigatory work regarding the impacts of private waterfront developments will take part in the program as it affects wetlands, water quality and the amenities of living, according to Mrs. Ruth Mathes, Associate Director of the Central Atlantic Environment Center.

A highlight of the program will focus on work carried out at the University of Delaware Department of Biological Sciences and College of Marine Studies. The study evaluates the condition of several former Delaware wetlands after dredge-fill operations created lagoon-type real estate development. Natural embayments in the salt marsh were compared with dredged lagoons.
